

FORMULA 1 JAPANESE GRAND PRIX FUJI

10.10. – 12.10.2008

Access to the Fuji Speedway

In consideration of local traffic and environment and to ensure trouble free access for spectators, a system has been adopted that combines admission tickets with bus transportation. The final means of access to the Fuji Speedway for all visitors will be by shuttle buss.

Holders of grandstand tickets (resevred seats) and admission tickets (non reserved seats) will have to take the JR Tokaido Shinkansen to the designated train station "Mishima" (5). Please see the map below. From there the shuttle bus starts to bring the guests into the circuit.

NOTE: Travel to the designated train station is not included in the ticket price. the admission fee includes the shuttle transfer from the designated stations to the circuit and back again.
